Nessie - has been super popular with families. The bunk beds and spacious dinette that can seat all 6 occupants give this van a very unique layout. The over-cab bed is King size and the dinette converts to two further beds.

Nessie has an upgraded 300ah lithium battery, upgraded DC to DC chargers and is fitted with starlink and an Avtex TV.

Will come with custom sheets and bedding, full service history and will be serviced on sale. We have an extended gold warranty in place that will be transferred.
