About The *Property*

A charming 2-bedroom end-terraced house ideally located close to Fraserburgh town centre and all local amenities. This well-presented property features modern comforts including solar panels and air source heating, offering energy efficiency and reduced running costs. Conveniently positioned, it provides easy access to schools and local public transport, making it an excellent choice for families or first-time buyers.

Accommodation Key Features

Spacious Bedrooms:

Perfect for families, this home boasts two spacious bedrooms across two levels, offering comfort and flexibility for every lifestyle. Bright and airy, each room features large windows that invite natural light, creating a warm and welcoming retreat for all.

Close to All Amenities:

This property is in the Prime Location in Fraserburgh which offers a wide range of amenities, including schools, a college, shops, and scenic coastal walks.

Front & Rear Enclosed Garden

The property features a secure, gated rear garden offering low maintenance for those with busy schedules. The garden can be ideal for those who stay at home as there is also a front garden which offers natural light for flower beds.

Easy Access for Travel:

Accessibility to major roads, highways, or transport hubs ensures smooth travel for residents. Whether commuting to work or embarking on weekend getaways, the property's location offers convenience for travellers.

Renewable Energy Features (Installed 2025):

The property benefits from modern renewable energy systems installed in 2025, including solar photovoltaic panels and a high-efficiency heat pump. The solar panels generate clean electricity from sunlight, helping to reduce energy bills and environmental impact, while the heat pump provides energy-efficient heating and hot water by extracting renewable heat from the outside air. Together, these systems enhance the home's sustainability, improve overall energy efficiency, and contribute to lower running costs.
